

A clear pathway for child development support

Pinnacle Blooms Network supports families seeking autism guidance, speech therapy, ABA therapy, occupational therapy and special education through a coordinated child-development pathway.

The network is operated by Bharath Healthcare Laboratories Private Limited. Its technology layer includes PinnacleAI GPT-OS®, a licensed Class B non-diagnostic Software as a Medical Device.

Autism support

Speech therapy

ABA therapy

Occupational therapy

Special education

National Autism Helpline

Operated by Pinnacle Blooms Network through BHCL

9100 181 181

24/7 parent guidance in English, Telugu and Hindi

HELPLINE

Helpline availability does not mean that every centre or clinician is available 24/7.

Because Every Child Deserves a Wonderful Life.

Documented regulatory foundation

Source documents identify the licensed organisation and bounded software scope.

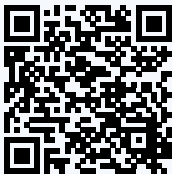

Form MD-5

Telangana State Licensing Authority

MFG/MD/2026/000248

Licence to manufacture for sale or distribution of Class A or Class B medical devices, issued by the Telangana State Licensing Authority on 21 April 2026.

Device: PinnacleAI GPT-OS v1.0.0, Developmental Support Software (Non-Diagnostic), Class B, for children aged 0-12 years.

Claim boundary

PinnacleAI GPT-OS® supports developmental measurement, readiness tracking, progress forecasting and therapy-plan support. It is non-diagnostic and does not replace professional clinical assessment or emergency services.

Company-prepared summary of supplied records. It is not live issuer verification, accreditation of every centre, or a clinical-outcome finding.
